

St. Anne's University Hospital is recruiting, as part of International Clinical Research Center activities (FNUSA-ICRC), candidates for the job title as follows:

Laboratory Technician

International Clinical Research Center (ICRC), St. Anne's University Hospital, Brno - Czech Republic

The International Clinical Research Center (ICRC) is a new research Centre of St. Anne's University Hospital in Brno and links together pre-clinical basic research (e.g. in stem cell biology, tissue regeneration, cancer biology, etc.) with clinical research (for more info see <http://www.fnusa-icrc.org/en/>).

ICRC is willing to appoint responsible, careful, well-organized and highly motivated full-time Laboratory Technicians to assist the researchers to operate the following equipment:

- Laser Confocal Microscope equipped for live imaging (ZEISS LSM 780, LSM 7 LIVE);
- ZEISS AXIO Observer.Z1 microscope equipped with PALM laser microdissectioner;
- ZEISS LSM 7 MP (multiphoton microscope);
- BD FACSAria III Cell Sorter;
- BD FACSCanto™ II Cell Analyzer.

The applicant should be able to work exactly, independently and flexibly. He/she possesses excellent interpersonal skills, strong problem-solving skills as well as organizational capabilities.

Experience in computer based data handling and analysis is desirable. Fluency in English (spoken and written) is expected.

Professional requirements:

- Bachelor's degree in Biological Science or equivalent;
- Previous experience with the abovementioned equipment;
- Will to learn new cellular, flow-cytometry and immunostaining techniques;
- Ability to record results, organize data.

The Laboratory Technician will have a high degree of autonomy, strong support from the PI, broad resource availability and unique opportunity to help shape the lab. The position is available for 1 year. Possible extension will be discussed in due time.

The candidates are invited to send a copy of their CV including a full list of publications and a statement of research interests to the following email addresses:

Please email your application in electronic form, as a cover letter accompanied by a resume indicating details of your existing professional experience, to lucie.pojetova@fnusa.cz by 14.02.2015 at the latest.

By responding to this invitation and/or sending your CV and any other personal materials to St. Anne's University Hospital, you consent to the collection, processing and storage of your personal data in accordance with Act No. 101/2000 Coll., the protection of personal data. You are providing St. Anne's University Hospital with these data solely for the purpose of mediating employment, the period however being no longer than one year from submitting. Should you not reclaim the materials submitted by you, they will be discarded after the period has expired.
